

WATER

Ecosavr® Liquid Pool Cover

Ecosavr has been scientifically developed for use in swimming pools to reduce evaporation and heat loss. The transparent liquid pool cover forms a barrier on the surface of the water.

10130001 - \$17.99 (2 pack)

Solar Powered Rain Barrel Pump System

The RainPerfect pump and solar panel easily install directly to your rain barrel providing pressurized water for outdoor water activities, like watering your lawn or garden, running low pressure sprinklers, or washing your car.

30201001 - \$149.00

Timed Showerhead with LED Lights

Timed Showerhead transforms boring water into a colorful waterfall each time you shower. LED lights shine different colors every two minutes to remind you of how long you have been in the shower. No batteries or power source required.

10220025 - \$54.95

Rain Barrels

Collapsible rainwater barrels are made of heavy-duty, 3 ply UV-resistant polyester. Taking only minutes to assemble, you can now harvest rain for future use without a permanent ugly storage container.

30200100 - \$81.25

ENERGY

Plumen 001

The PLUMEN 001 works like any other high quality, low energy bulb - saving you 80% on your energy bills and lasting 8 times longer than a standard incandescent bulb but leaves the boring traditional shape behind.

20280000 - \$29.95

60 Watt Replacement LED Bulbs

LED Light bulbs can easily save you over \$400 per bulb lifetime. We offer a variety of styles, color temperatures and price ranges. View our website for the complete list of bulbs.

20250138 - \$24.79

Enerflex Radiant Barrier Panel - 16 x 48"

Lower your heating and cooling costs 15% by installing an A/1 fire rated, Energy Star certified, Radiant Barrier. Enerflex is a reinforced, double layer, reflective metal film that installs quickly between roof rafters.

20100001 - \$33.55 (10 pieces)

Tubular Skylight Kit by Natural Light Energy Systems

For about the cost of a nice light fixture, you can bring the sun's soft, natural light into virtually any space in your home. Installed in under two hours, you will quickly realize the benefits of a tubular skylight. Green Express Direct offers several models and replacement parts. Visit our website from complete details, www.GreenExpressDirect.com

T8 - SMD Tubes

Commercial LED Lamps save businesses money on their electric bill and maintenance costs. Businesses can also receive tax credits and rebates from their local utility company to offset the investment in a green lighting source.

20251030 - \$54.90

Indoor Waterfall Kit with Remote Control

Remotely control an indoor water feature or other appliance drawing 15 amps wirelessly with the Indoor Waterfall Kit with Remote Control. The wireless handheld remote is small enough to fit in the palm of your hand, keep it in your pocket or on a table. The remote control will turn the waterfall on or off at a distance up to 150 feet. Exterior receivers are also available. See our web site for more details.

20240009 - \$194.85

Power Sensing Surge Protector

"Smart" Surge Protectors sense the electrical current being used and automatically cuts power when the control outlet is no longer in use - saving you money.

20260100 - \$27.95

Mr. Eco Kitchen Composter

Mr.ECO is a uniquely designed kitchen composter that eliminates smells, insects and hides the compostable materials from eyesight. Can fit under the sink and is dishwasher safe.

30301000 - \$49.25

Compost Wizard Tumbler Starter Kit

A great way to start your venture into composting is the 7 cubic foot Compost Wizard Starter Kit. Everything you need is included: Compost Wizard Jr., 1 kitchen compost pail, 2 compost fiber bricks, and (2) 16 oz Enhanced Compost Accelerator pouches.

30302002 - \$169.49

The Multi Recycler

This sturdy, free standing, stackable 6 gallon bin is an ideal recycling container for small spaces. It has a slanted opening for easy access and a liquid retention reservoir to prevent residual liquids from making a mess.

30100011 - \$18.49

RECYCLE

The Waste Watcher Recycling Station

Keep your recyclables organized. Waste Watcher Recycling Station includes: three - 27 inch/20 gallon containers, lids for cans or bottles, paper and waste, three - signs, and two connector kits.

30100084 - \$354.00

The Battery Recycler

The Battery Recycling Bin is a unique and innovative response to an environmental issue: disposing of batteries. Great for home, office or industrial location.

30100041 - \$22.85
