Precision Model Distributors has brought to the marketplace a new level of collector trucks with detail and quality at a level that resembles a real truck in miniature. These special trucks are offered as Limited Editions of 50 factory assembled units.

'79 Freightliner Cab Over

With an overall length of 41" this truck features aluminum checker plate decking, full leaf spring suspension, steerable front wheels and much more.

\$928.00

Texaco Tanker Truck

The truck is die-cast aluminum with a powder-coat finish. The tank is heavy duty aluminum extrusion with die-cast end caps, polished to a high luster.

\$895.00
